Energy Conservation Drive in the college campus on 28th February, 2023

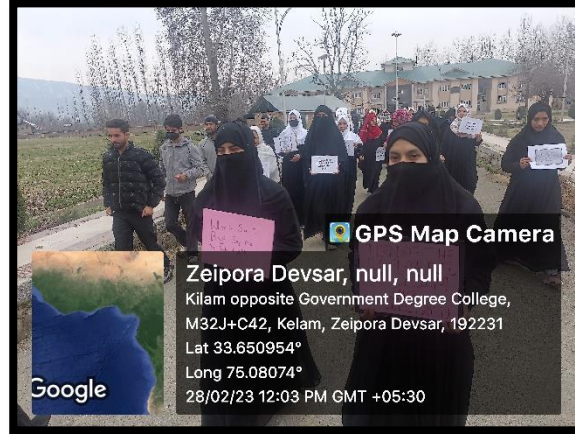

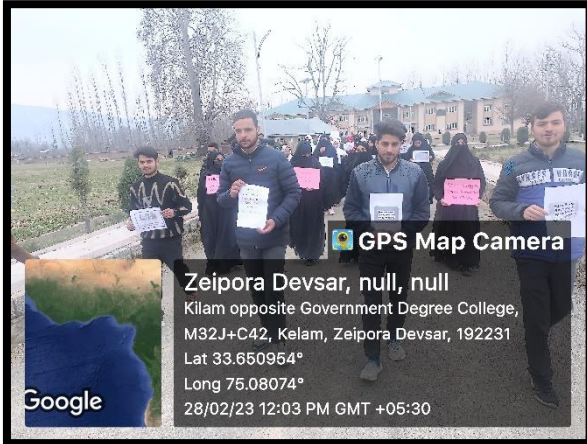

Eco-Club, department of Environmental Science and NSS unit of the college organized a drive/rally on “**Energy Conservation**” in the campus of AMGDC-Kilam on 28th February, 2023. NSS volunteers, Eco-club volunteers and other students of the college participated in the drive with great passion. The purpose of the programme was to spread awareness among students and the staff regarding practice of using less energy. The students exhibited placards related to judicious use of energy and reducing its wastage for the benefit of future generations. They raised slogans on clean and renewable sources of energy. They also highlighted that it is essential to create awareness and develop the attitude of the students to become ambassadors for raising the awareness regarding judicious use energy.
