The debates and seminar committee and department of economics of the college in collaboration with Jammu and Kashmir Bank marketing wing organized one day financial literacy programme on 13-08-2024. The aim of the programme was to sensitize participants with regard to different financial products offered by the Bank.

At the outset the in-charge principal of the college Prof. Shabir Ahmad Padder welcomed the officials from the bank. In his welcome address he emphasized on participating students to take advantage of different educational loans provided by the Bank.

The officials of the bank spoke extempore on various financial schemes and products touching educational loan, housing loan, SPI and investment in digital gold. The programme was highly interactive as both staff and students posed large number of questions to concerned officials and sought clarifications. The programme was moderated by Dr. Kowser Ahmad Ganai, convener debates and seminar. Few glimpses of programme are:
