Dated: 24 April, 2023

Activity under the banner; *India's G20 Presidency* and Mission LiFE.

## **Special Lecture on "Invest in Our Planet" to celebrate World Earth Day 2023"**

On the eve of **World Earth Day 2023**, under the aegis of *India's G20 Presidency & Mission LiFE* department of Environmental science, debate/seminar committee and Eco club in collaboration with IQAC of the college organized a special lecture on the theme "Invest in Our Planet" on 24<sup>th</sup> April, 2023. The programme was presided and inaugurated by the worthy principal Prof. (Dr.) Yasmeen Majid Khan. Mr. Niyaz Ahmad Khan, Assistant Professor, Environmental Science delivered a detailed lecture on "Invest in Our Planet & Mission LiFE". At the outset he said that Earth Day is celebrated around the world to show support for environmental preservation and to bring awareness to the environmental issues our planet faces and to promote solutions for a sustainable future. He also elaborated the significance of celebration of this day. He said that the most effective way to preserve nature is to become more aware of the environmental issues we face, and what you can do to help. He said the impact of pollution and climate change is adding more complications to the worsening conditions. He said that every individual has to come forward for conservation of nature and should use more renewable and non-polluting sources of energy instead of non-renewable sources. He stressed on the audience that saving energy means saving money and reducing pollution. He urged the students to not only thrive to maintain the beauty, health and piousness of Earth, but also to aware the society regarding the same. He also deliberated on the Mission LiFE a global programme towards sustainability. He also highlighted how to protect and preserve the environment by "mindful and deliberate utilization, instead of mindless and destructive consumption". At last, he emphasized how different aspects of Mission LiFE (Lifestyle for Environment) aim for measurable and quantifiable environmental action. A number of queries were raised by the participants which were answered by the speaker. The programme was moderated by Mr. Mujeeb Hussain Gattoo (Convener Debate/Seminar Committee) who also proposed the vote of thanks.
