Open air Lecture on “The role of students in eradicating the menace of drug abuse”

Date: 20-02-2023

Drug-de-addiction Cell of Altaf Memorial Government Degree College, Kilam organised an open air lecture for the members of Health and wellness club, on the theme “**The role of students in eradicating the menace of drug abuse**” in the green park of the college campus. The lecture was delivered by the coordinator drug de-addiction cell, Mr Mujeeb Hussain Gattoo in which he deliberated that drug addiction should be eradicated for a better future and students could play a big role in this regard. He further stressed that student clubs can be torchbearers of social service and can play an important role to create awareness about the ill-effects of using drugs among the public. He also emphasised that AMGDC Kilam under the leadership of the worthy principal Prof. Dr Yasmeen Majid Khan is committed for making the college campus drug and smoke free. He also informed students that the district administration has initiated set of activities under the project “REHNUMA” to reach out to the people to make them aware about drug menace and our college is going to conduct mass awareness programmes in this regard. The programme ended with a rally within college campus in which students raised slogans against drug abuse.
