**Awareness Lecture on Kinds of Cyber Crime**

Cyber Crime Jagrukta Cell of the college organized a special lecture on the topic “Kinds of Cyber Crime: phishing, identity theft and cyber stalking” on 24<sup>th</sup> January, 2022. While inaugurating the event principal, Prof. Dilruba Rasool Hamdani said that cybercrime or attack is the systematic criminal activity occurring

digitally. She also said that in the present world online identity is as important as offline rather more importance is given to it. She impressed upon the participants to get abreast with the technology which is the only way to save themselves from cyber criminals and cyber fraud.

Guest speaker, Mr. Zahoor Ahmad Shah, Head Department of Computer Applications, Govt. Degree College for Women, Anantnag while throwing light on the topic impressed upon the students to use technology judiciously. He explained the terms like cybercrime, phishing, stalking and highlighted cybercrimes including fraud, malware viruses, cyber stalking etc through many examples. The guest speaker advised participants to remain silent on internet as much as possible for the protection and always update softwares and passwords on internet connected gadgets. Many queries were raised by the participants which were answered by the guest speaker to the maximum satisfaction of the participants. The coordinator Mr. Niyaz Ahmad Khan (Head of the Department Environmental Science) proposed the vote of thanks.

**Lecture on cyber security**

Cyber Cell of Altaf Memorial Govt. Degree College Kilam organized a Cyber Jagrukta Diwas on 23/04/2022 under the title **CYBER RISK ASSOCIATED WITH VARRIED ONLINE ACTIVITIES AND PROTECTION THEREFROM**. The event was held under the Chairmanship of Principal Prof. Dilruba Rasool Hamdani. The principal in her welcome speech impressed upon the students and the faculty to be abreast of the technology that is the only way to prevent ourselves from the cybercrime dacoits.

The key speaker of the event was Nodal Officer Cyber Cell Dr. Rayees Ahmad Rather (Assistant Professor and Head Department of English). At the outset the speaker introduced the theme of the event. He elaborated a few online activities like online communication, social media, online payments, online shopping, watching pornography and data storage. The speaker explained the apprehension of risk associated with these activities and protection there from. He further laid stress on password protection, which according to him is a gateway for cybercrime fraudsters. The importance of password protection was made understood by the quote of Chris Pirillo, wherein he says, "Passwords are like underwear: don't let people see it, change it very often, and you shouldn't share it with strangers." The queries raised by the audience were answered by the speaker. The concluding remarks and vote of thanks were presented by the staff Secretary and Head Department of Environmental Science Prof. Niyaz Ahmad Khan.

## Cyber Jagrukta Diwas

Cyber Cell of Altaf Memorial Govt. Degree College Kilam organized Cyber Jagrukta Diwas under the theme "Safety In Online Financial Transactions" for the month of September, 2022. The Nodal Officer Cyber-crime Dr. Rayees Ahmad introduced the theme of the event. At the outset of the program worthy Principal Prof. Dr. Yasmeen Majid Khan highlighted some areas which are very prone to cyber-crime frauds. She said, "Technology is beautiful. It eases our life, saves time and provides comfort but simultaneously it makes us vulnerable to different calamities.

Guest speaker Mr. Rayees Ahmad Bhat (Assistant Manager Jammu and Kashmir Bank Branch Kilam) while throwing light on the topic impressed upon the audience to use the technology in a judicious way. He laid stress on a few areas where citizens need to be cautious of cyber dacoits like sharing OTP/Adhaar and other details with unknown persons. The guest speaker further explained the methodology through which we can secure ATM/Debit cards and other applications from Cyber Dacoits. Many queries were raised by the audience during the session which were answered by the resource person to the maximum satisfaction of the participants. The Worthy Principal of the college Prof. Dr. Yasmeen Majid Khan appreciated the effort of Dr. Rayees Ahmad (Nodal Officer Cyber Crime) for organizing the event. The staff Secretary of the College Prof. Niyaz Ahmad (HOD Environment Science) concluded the session with vote of thanks.
