

DEPARTMENT OF ENVIRONMENTAL SCIENCES

Altaf Memorial Government Degree College Kilam

Govt. Degree College Kilam was established in 2008. The college got shifted to its present campus in December 2016 and earned recognition status under 2(f) and 12(b) with the UGC. The college has an enrolment of around 540 students providing education in 17 subjects spread over 02 programs of Science and Arts.

The college started offering Bachelor of Arts (B.A) programme to meet the higher education requirements of vast section of the population. To make the college more vibrant in higher learning, science stream was introduced in 2017. The subject of Environmental Studies was introduced in 2008 as module course to be taught to all the students. Environmental studies was taught at BG 2nd year as a compulsory subject and from 2015 onwards it is taught in First and Second semester as a compulsory subject.

Vision and Mission

- Department is committed to contribute quality environmental knowledge to achieve academic excellence and the principles of environmental justice and sustainability.
- Service to humanity through expansion and dissemination of knowledge of environment.
- To provide diverse learning experiences by field visits, tours etc.
- To provide support, service and public awareness in the areas of environmental studies to students and local community.
