From Principal's Desk

At the very outset, I would like to send you warm greetings from the college. We are going through an unprecedented global predicament today. Each one of us is affected by the coronavirus pandemic. We are adversely affected by the scare of infection and contagion. In these difficult and anxious times I wanted to reach to you and update you how we are.

Our institution which was established in the year 2007 has completed 14 years of its existence. In these years this institution has grown from infancy to an institution of reckoning. Being the head of the institution it gives me immense pleasure to present the first issue of the newsletter titled Aab-e-Rawaan. The newsletter highlights the achievements and activities of the college in different spheres and provides a window to the outsiders to have a feel of whatever is going on inside the institution. It also serves as a tool for documenting the activities of the institution for reference to posterity.

Our talented and ever-willing -to work staff both teaching and non-teaching have been showing their concern for the college and the students-working from home preparing study material and engaging Online/Offline classes for the benefit of students. I appreciate their concern for the students and commitment to academics.

I congratulate the staff and the students for making various offline/online events a success. The editors of this newsletter deserves all appreciation in bringing this issue in such an elegant form and I compliment them for their sincerity and dedication. We put this newsletter in the

hands of our esteemed readers with main objective of exposing ourselves to them for our auditing at their hands. Hence, we shall be looking forward to their valuable feedback.

We understand the challenges faced by the students, parents and the teachers to cater to the academic needs during closure of colleges and adapting to virtual learning. However, the importance of education remains consistent. Let us consider this challenge as an opportunity. The Covid-19 pandemic should not lockdown the aspiration of our young generation. An optimistic and positive outlook enables us to see good things in life and keep going even in the hardest times. There are times when we have to stand together as one family belonging to the entire world. We pray for a quick control of the Covid-19 pandemic.

Being hopeful is the key.

Prof. Dilruba Rasool Hamdani
(Principal)

Editor's Note

With the blessings of Almighty Allah time has ultimately come to introduce the first and maiden issue of college Newsletter "Aab-e-Rawaan". At the outset, my sincere thanks are due, to our worthy Principal, Prof. Dilruba Rasool Hamdani for encouraging and advising us to come up with publication of the 1st edition of the College Newsletter. The college is one of the fast developing colleges as far as academic pursuits, co-curricular activities and infrastructure development is concerned and with the hard work of teaching and non-teaching staff, college is progressing at an exponential rate.

I feel delighted to compile and edit the 1st issue of this newsletter which is in your august hands. This newsletter encompasses different contours and the liveliness of our college vis-à-vis the curricular and co-curricular activities, departmental activities, NSS activities, faculty achievements and the well-established infrastructure along with lush green campus. It also incorporates the coordination of the teaching and non-teaching staff as well as the students who played their role in the improvement of this institution. I would like to express my heartfelt gratitude to all the college committees for their efforts at various levels in the development of the college and making these activities possible. My thanks are due to all who have contributed in any capacity for the successful publication of this newsletter. I shall be grateful to our

esteemed readers to ignore errors and omissions if any. Further suggestions, feedback and constructive criticism shall be appreciated.

Niyaz Ahmad Khan
